Transferred \$300,000 in federal fund expenditure authority from Secretariat Administration to other fund expenditure authority in Banking (\$50,000) and Insurance (\$250,000). This is a one-time transfer from operating expenses to personal services, and from operating expenses to operating expenses. Expenditure authority is available due to receiving fewer federal funds as a result of federal sequestration. Funds will be used to fund the autism study as directed per SB108 passed during the 2014 Legislative Session, to cover a shortfall in personal services, as well as pay for moving expenses related to staff relocation.
